APG460 Cash Drawer

A ROBUST, PRACTICAL CASH DRAWER

APG's Entry Level Cash Drawers, ECD, are a range of cost effective, highly functional cash drawers that offer excellent value for money. The ECD range is perfectly suited for the small to medium retailer in a variety of sectors including hospitality and general retail where a good performing cash drawer is appreciated and a heavy-duty lifetime is not expected. The APG460 Flip Lid is extremely robust and has been designed to fit the majority of European checkouts.

Durable

Featuring a robust steel construction (at 6 kg in weight) for a prolonged operational life, the hard wearing APG460 cash drawer is able to withstand most retail environments.

High Capacity

The removable insert can accommodate 7 notes and 8 coins. The adjustable and removable note dividers maximise the insert capacity.

Multiple Storage

The drawer provides further storage with a posting slot directly to the insert for additional media items.

Versatile
