Star mUnite Series Tablet Stands

mPOS Solution Stands

Star Micronics is proud to offer both function and style with its commercial grade mUnite mPOS solution stands, built to accompany Star's POS printer range. The durable steel stands are easy to set up and are available in either black or white to match existing POS systems. The mUnite stands maintain a clean design while hiding all the cables that keep devices connected, routing power supplies to recapture counter space. These durable steel mounts, kiosks, and stands are compatible with Star's Universal mEnclosure, or any enclosure that uses universal VESA mounting. Easy to set up, Star's mUnite stands are suitable for a wide range of applications in retail, hospitality, kiosk and visitor management.

mEnclosure Features:

- Adjustable Universal mEnclosure tablet holder
- Universal VESA mounting
- Clean cable management
- Easy to tilt for customer interactions
- Secure tablet mounting with adjustable locking arms
- Tablet can be locked in place and removed easily with included keys
- Tablet can be positioned in portrait or landscape view
- Available in black or white

Mount Stands

Star Micronics has created multiple stylish tablet mounts to free up and declutter workspace while keeping valuables secured in one area. They attach to most walls and countertops with everything needed to get set up included. Incredibly modern and space-saving, these tablet mounts are perfect for online ordering for the restaurant or QSR industry, retail, hospitality industry, or any establishment where tablets are regularly used and can be stationary. Tablets are well-protected and easily accessible while out of the way in busy environments. *Tablet, enclosure and printer not included*
